SUBMISSION: CONTROL OR CHRISTLIKE LOVE

"Submitting yourselves one to another in the fear of God." – Ephesians 5:21

Faith Reflection:

Submission isn't surrendering to control — it's surrendering to Christ. It's not about who has the upper hand but who has the humble heart.

When both partners bow to God's authority, they rise together in love.

Journal Prompts:

What does healthy submission look like to me?

How can I show respect without losing my voice?

How can we protect trust when our opinions differ?
